

## Ready Meals

**Please pre-order for collection on the following Day  
by emailing [info@tornacaille.com](mailto:info@tornacaille.com)**

Available for Collection Daily Between 12pm and 2pm

If you can't collect your order, please let us know and we will do what we can to get it to you

This is not a Hot Take-Away Service, these are pre-made fresh or frozen, single portion meals for you to stock up on and heat at home. Reheating instructions are supplied.

We're asking people to **pay what they can**. We think that around £5 is a reasonable sum for a good, nutritious homecooked meal. If you can pay a little more, then please do. If you can't pay as much as that, then pay what you can or just let us know if you can't pay at all.

You don't need to feel ashamed or embarrassed about paying less - we all need help from time to time and we believe that what goes around, comes around.

**Please remember- THIS IS FOR EVERYONE! We NEED people who can afford to pay more to buy these in order to support those who really need it!**
